

# blackline**safety**

## Cellular G7c Configuration

**\$489**

G7c Personal Safety Device - Choose sensor configuration 0-5 gases

Sensor options:

PID, LEL, O2, CO, H2S, NH3, CO2, CL2, CO-H, SO2, HCN)

## Yearly Sensor Service Plan Options:

Personal Safety Device Only, No Sensors

- |                                     |       |
|-------------------------------------|-------|
| • Single Gas Sensor                 | \$0   |
| • 2 Gas Sensors                     | \$60  |
| • 3 Gas Sensors                     | \$108 |
| • 4 Gas Sensors                     | \$144 |
| • 5 Gas Sensors (Requires Co & H2S) | \$180 |
|                                     | \$240 |

Add \$60 for NH3, CL2 or HCN

And \$240 for CO2

Add \$420 for PID

## Yearly Sampling Pump Service Plan Options:

- |                          |       |
|--------------------------|-------|
| • Diffusion              | \$0   |
| • Built-in Sampling Pump | \$120 |

## Yearly Cellular Service Plan Options

- |   |       |
|---|-------|
| • Blackline 24/7 Monitoring with Voice    | \$636 |
| • Blackline 24/7 Monitoring without Voice | \$540 |
| • Self Monitoring with Voice              | \$420 |
| • Self Monitoring without Voice           | \$300 |
